1. The following is an examiner's statement of reasons for allowance:

The invention is directed to as electrical structure of power supply to an electrical unit of an image forming apparatus.

Independent claim 8, identify the uniquely distinct features of "wherein said unit is an LED array which illuminates a light beam according to an image forming signal transmitted from said electrical board to the LED array with said electrical cable" The closest prior art, Picher et al (US 4,727,805) disclosed a similar electrical structure of power supply to an electrical unit of an image forming apparatus; either singularly or in combination with other cited references, fail to anticipate or render the above underlined limitations obvious (to be used with other claimed limitations).

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to King Y. Poon whose telephone number is (703) 305-0892.
